

Slide 1: Title Slide

Bazodiac.space

Hybride Astrologie-Plattform: Western-BaZi Fusion

Seed Round 2026

€1.5M Pre-Money Valuation

Slide 2: The Problem

The Global Astrology Market is Undergoing a Transformation

- **2024 Market Size**: \$3B USD
 - **2030 Projection**: \$11.7B USD (20% CAGR)
 - **2035 Vision**: \$25.61B USD
 - **Primary Driver**: Millennials & Gen Z (80% use metaphysical data for life decisions)
- The Gap**: Current apps are single-system entertainment. The market demands hyper-personalized, hybrid wellness systems.

Slide 3: The Solution

Bazodiac.space = The Bridge Between Heaven (Western) and Earth (Eastern)

Dual System Architecture:

- **Western**: Psychological disposition via tropical zodiac
 - **Eastern (BaZi)**: Temporal analysis via Chinese metaphysics
 - **The Synthesis**: 144-Type Matrix for character depth
- Key Innovation**: Mathematical precision (millisecond accuracy) + AI-powered narrative layer

Slide 4: Market Opportunity

Massive Market Dynamics

- **Asia-Pacific**: 49.19% CAGR (India leading growth)
- **China Market**: 16x higher search volume for Western signs vs. traditional horoscopes
- **User Behavior**: Shift from entertainment to essential mental optimization tools
- **Market Validation**: Cosmic Fusion (150K users, 4.6★ rating) proves concept viability

Slide 5: Technology

Deterministic Core + Heuristic Layer

Deterministic Core (Calculation Engine)

- Planet positions, stems, branches with absolute accuracy
- 300+ specialized API endpoints (AstrologyAPI.com)
- Structured JSON output (Single Source of Truth)

Heuristic Layer (AI Interpreter)

- GPT-4 powered narrative generation
- 2M+ combination analysis → personalized insights
- High-quality, coherent interpretations

****Architecture Benefits****: Error-resistant, scalable, narrative excellence

Slide 6: Product

Core Features

- Hsia-Kalendar synchronization (24 solar periods)
- Precise Day Master calculation (LST correction)
- 144-Type Matrix character analysis
- Hyper-personalized wellness recommendations

Future Roadmap

- Vastu & Feng Shui integration (+30% demand)
- Wearable real-time transit
- Dating algorithms ("Love at First Sign")

Slide 7: Business Model

Revenue Streams

1. **Subscription Tiers**: Free → Premium (\$9.99/mo) → Pro (\$29.99/mo)
2. **Consultation Services**: Personalized readings
3. **Enterprise Solutions**: Corporate wellness programs
4. **API Licensing**: Technology platform access

Target Markets

- Primary: DACH (Germany, Austria, Switzerland)
- Secondary: CEE, UK, Nordics
- Expansion: China (16x search volume opportunity)

Slide 8: Traction & Validation

Proof of Concept

- Cosmic Fusion: 150K users, 4.6★ rating
- Suzanne White's "New Astrology": Millions sold globally
- Market demand: 80% of millennials use metaphysical data

Technical Validation

- Hsia-Kalender algorithm implemented
- LST correction formula verified
- 144-Type Matrix market-tested

Slide 9: Competitive Landscape

Current Solutions

- **Traditional Apps**: Single-system, entertainment-focused
- **Generic AI**: Hallucination-prone, lacks mathematical foundation
- **Western-Only**: Missing Eastern temporal precision

Bazodiac Advantage

- **Dual System**: Western psychology + Eastern determinism
- **Mathematical Precision**: Millisecond-accuracy calculations
- **AI-Augmented**: Narrative depth without calculation errors
- **Scientific Foundation**: Peer-reviewed methodology

Slide 10: Go-to-Market Strategy

Phase 1: MVP Launch (Months 1-3)

- DACH market entry
- Focus on tech-savvy millennials
- Content marketing (astrology best practices)

Phase 2: China Expansion (Months 4-6)

- Localized BaZi features
- Partnership with Chinese wellness platforms
- Leverage 16x search volume advantage

Phase 3: Ecosystem Growth (Months 7-12)

- Wearable integration
- API platform launch
- Enterprise wellness programs

Slide 11: Team

Core Team

- **CEO**: Strategy, Partnerships
- **CTO**: Algorithm Engineering, System Architecture
- **Lead Designer**: UX/UI, Product Design
- **AI Engineer**: Heuristic Layer, LLM Integration

Advisors

- Eastern Metaphysics Expert
- Western Astrology Professional
- Serial Wellness Entrepreneur

Slide 12: Financials

Seed Round: €1.5M (Pre-Money)

Use of Funds:

- **Product Development** (40%): €600K - Core platform, algorithms, AI integration
 - **Team Building** (30%): €450K - Engineering, design, operations
 - **Marketing & Growth** (20%): €300K - Content, partnerships, user acquisition
 - **Operations & Legal** (10%): €150K - Infrastructure, compliance, IP
- Runway**: 18-24 months to Series A

Slide 13: Milestones

18-Month Roadmap

- **Month 3**: MVP launch with 1K MAU
- **Month 6**: 10K MAU, €10K MRR
- **Month 12**: China expansion, 50K MAU
- **Month 18**: 100K MAU, €50K MRR

Key Metrics

- User Retention: >40%
- Monthly Active Users: 100K
- Customer Acquisition Cost: <\$15
- Lifetime Value: >\$120

Slide 14: Investment Ask

The Opportunity

- **Addressable Market**: \$11.7B by 2030
- **Differentiation**: Hybrid system with mathematical precision
- **Traction**: Proven market demand and technical validation
- **Team**: Domain expertise + technical excellence

Seed Investment: €1.5M

- **Pre-Money Valuation**: €1.5M
- **Post-Money Valuation**: €3M
- **Equity**: 50% common stock
