Hybride Astrologie-Plattform: Western-BaZi Fusion

Series B 2028

€20M Pre-Money Valuation | Global Market Leadership

Slide 2: Executive Summary

Post-Series A Performance

- **MAU**: 400K (DACH + CEE + China)
 - **MRR**: €300K (€3.6M ARR)
 - **Customer Retention**: 48%
 - **Team Size**: 20 FTE
 - **Enterprise Customers**: 20
 - **Gross Margin**: 82%
 - **LTV:CAC Ratio**: 12
- Key Achievement**: #1 hybrid astrology platform in DACH, successful China market entry, profitable unit economics.

Slide 3: Market Leadership

The \$25.61B Global Opportunity by 2035

Current Market Position

- **DACH**: 45% market share, #1 position
- **CEE**: 25% market share, #2 position
- **China**: 5% market share, rapid growth (16x search volume advantage)

Market Segmentation Strategy

- **Consumer**: 80% of revenue, mass-market subscription model
- **Enterprise**: 15% of revenue, corporate wellness programs
- **B2B Partnerships**: 5% of revenue, API licensing and white-label
- **2030 Vision**: 10% global market share, €1.2B ARR target

Slide 4: Product Portfolio

Current Product Suite

Consumer Products

- **Bazodiac Pro**: €29.99/mo - Premium personal astrology
- **Bazodiac Enterprise**: €99.99/mo - Advanced features for power users
- **Consultation Marketplace**: €199-€499/session - Human expert network

Enterprise Solutions

- **Corporate Wellness**: \$5K-\$50K annual - Employee well-being programs
- **API Platform**: €999/mo - Technology licensing for partners
- **White-Label Solutions**: Custom pricing - Platform licensing

Series B Expansion

- **Bazodiac Health**: Medical astrology integration
- **Bazodiac Finance**: Investment timing and risk assessment
- **Bazodiac Education**: Learning platform for astrology professionals
- **Bazodiac Ecosystem**: Partner marketplace and integrations

Slide 5: Technology Advantage

Proprietary Technology Stack

Core Algorithms (IP Protected)

- **Hsia-Kalender Precision**: Millisecond-accuracy LST calculations
- **144-Type Matrix**: Western-BaZi fusion algorithm (patent-pending)
- **Real-Time Transit Engine**: Live celestial position tracking
- **Predictive Analytics**: AI-powered life event forecasting

AI Infrastructure

- **Custom Fine-Tuned Models**: 100K+ training interactions
- **Voice Interface**: Natural language astrology consultations
- **Personalization Engine**: Dynamic recommendation system
- **Predictive Maintenance**: Proactive system optimization

Technical Metrics

- **API Uptime**: 99.99% (industry leading)
- **Calculation Speed**: <100ms response time
- **Data Accuracy**: 99.7% (third-party verified)
- **Scalability**: 10M+ concurrent users capable

Slide 6: Competitive Moat

Six-Layer Competitive Advantage

1. **Mathematical Foundation**: Proprietary LST calculation algorithm (5 years R&D;)
2. **Dual-System Matrix**: 144-type Western-BaZi fusion (patent-pending)
3. **AI-Augmented Narrative**: Custom fine-tuned models (100K+ training data)
4. **Data Network Effects**: 400K users × 2M+ data points
5. **Regulatory Compliance**: GDPR, Chinese data protection certifications
6. **Partnership Ecosystem**: 20+ enterprise customers, 50+ API partners

Barriers to Entry

- **Technical**: 5+ years R&D; for equivalent algorithms
- **Cultural**: Deep understanding of dual systems
- **Regulatory**: Multi-jurisdictional compliance expertise
- **Network**: Partnership ecosystem built over 3 years
- **Data**: 400K user interactions for model training

Slide 7: Financial Performance

Historical Financials (Post-Series A)

Revenue Growth

- ****2026****: €600K ARR (Seed completion)
- ****2027****: €3.6M ARR (6x growth, Series A target achieved)
- ****2028****: €3.6M ARR (current, Series B ready)

Unit Economics

- ****CAC****: €25 (improved from €40 in Seed)
- ****LTV****: €250 (increased from €120 in Seed)
- ****LTV:CAC Ratio****: 10 (industry leading)
- ****Gross Margin****: 82% (improved from 75% in Seed)
- ****Net Margin****: 15% (positive cash flow achieved)

Customer Metrics

- ****Monthly Churn****: 5% (improved from 12% in Seed)
- ****Retention Rate****: 48% (improved from 40% in Seed)
- ****NPS Score****: 72 (world-class)
- ****Enterprise Renewal****: 95% (B2B excellence)

Slide 8: International Operations

Global Footprint

Europe (75% of Revenue)

- ****DACH****: €2.7M ARR (75% of European revenue)
- ****CEE****: €675K ARR (25% of European revenue)
- ****UK/Nordics****: Expansion planned for 2028

Asia-Pacific (25% of Revenue)

- ****China****: €900K ARR (successful market entry)
- ****Southeast Asia****: Expansion planned for 2029
- ****Japan****: Partnership discussions in progress

Series B International Strategy

- ****2028****: UK/Nordics launch, Southeast Asia expansion
- ****2029****: Japan market entry, Latin America exploration
- ****2030****: Full global coverage, 50 markets

Slide 9: Enterprise & B2B Growth

Enterprise Business Unit

Current Performance

- **20 Enterprise Customers**: €720K ARR (20% of total revenue)
- **Average Contract Value**: €36K annual
- **Renewal Rate**: 95%
- **Customer Satisfaction**: 4.9/5.0

Enterprise Product Suite

- **Corporate Wellness**: Employee mental health optimization
- **Talent Analytics**: Team composition and hiring insights
- **Leadership Development**: Executive coaching based on celestial patterns
- **Predictive HR**: Workforce planning and retention strategies

Series B Enterprise Targets

- **100 Enterprise Customers** by 2029 (€3.6M ARR)
- **Fortune 500 Penetration**: 50 companies by 2030
- **Industry Specialization**: Healthcare, Finance, Technology sectors

Slide 10: Strategic Partnerships

Current Partnership Ecosystem

Technology Partnerships (50+ API Integrations)

- **Fitness Platforms**: Peloton, Apple Health, Google Fit
- **Mental Health Apps**: Headspace, Calm, BetterHelp
- **Corporate Wellness**: Gympass, Virgin Pulse
- **Dating Platforms**: Tinder, Bumble, Hinge

Strategic Alliances

- **Accelerators**: Y Combinator, Techstars, Seedcamp (portfolio access)
- **VC Firms**: 15+ firms with portfolio company integration
- **Wellness Networks**: 200+ individual astrology practitioners
- **Academic Institutions**: 3 university research partnerships

Series B Partnership Goals

- **Fortune 500 HR Departments**: 50 partnerships by 2030
- **Insurance Companies**: Preventive wellness program integration
- **Healthcare Systems**: Complementary mental wellness services
- **Government Agencies**: Public health wellness initiatives

Slide 11: Financial Projections

Series B Target: €20M on €20M Pre-Money → €40M Post-Money

Revenue Trajectory

- **Current (2028)**: €3.6M ARR
- **End of 2028**: €5M ARR (40% growth)
- **End of 2029**: €12M ARR (3.3x growth from current)
- **End of 2030**: €25M ARR (7x growth from current) - IPO ready

Profitability Timeline

- **2028**: €15M revenue, €2.2M EBITDA (15% margin)
- **2029**: €12M revenue, €2.4M EBITDA (20% margin)
- **2030**: €25M revenue, €6.25M EBITDA (25% margin)
- **2031**: €40M revenue, €12M EBITDA (30% margin) - IPO target

Unit Economics by 2030

- **CAC**: €15 (scale efficiency)
- **LTV**: €350 (enterprise expansion)
- **LTV:CAC**: 23.3 (exceptional)
- **Gross Margin**: 88% (automation benefits)

Slide 12: Use of Funds

€20M Series B Allocation

Product & Technology (30%): €6M

- Medical astrology R&D;: €1.5M
- Finance astrology development: €1M
- AI model scaling (custom infrastructure): €1.5M
- Enterprise platform expansion: €1M
- Global localization (10+ languages): €1M

Global Expansion (35%): €7M

- UK/Nordics market launch: €1.5M
- Southeast Asia expansion: €1.5M
- Japan market entry: €1M
- Latin America exploration: €500K
- Global regulatory compliance: €500K
- International talent acquisition: €2M

Enterprise & B2B (20%): €4M

- Enterprise sales team expansion: €1.5M
- Partnership business development: €1M

- Fortune 500 penetration strategy: €1M
- B2B marketing and events: €500K

Team & Operations (15%): €3M

- Executive hiring (CFO, CRO, CPO): €1M
- Engineering team scaling (+15 engineers): €1M
- Global office infrastructure: €500K
- Legal and IPO preparation: €500K

****Runway****: 30 months to profitability or IPO

Slide 13: Team & Leadership

Current Leadership Team

- **CEO**: Vision, Strategy, Investor Relations
- **CTO**: Technology Architecture, R&D; Leadership
- **CMO**: Global Marketing, Brand Strategy
- **COO**: Operations, International Expansion
- **CFO**: Financial Strategy, IPO Preparation

Series B Executive Hires

- **Chief Revenue Officer (CRO)**: Enterprise sales, B2B growth
- **Chief Product Officer (CPO)**: Product portfolio management
- **Chief People Officer (CPO)**: Global talent acquisition
- **General Counsel**: International legal, IPO preparation

Team Scaling (to 40 FTE by 2029)

- **Engineering**: +15 (AI specialists, mobile, DevOps, QA)
- **Sales**: +8 (Enterprise sales, partnerships, B2B)
- **Marketing**: +5 (Global marketing, content, performance)
- **Operations**: +5 (International operations, customer success, legal)

Slide 14: Milestones to IPO

30-Month Series B Trajectory to IPO

Q3 2028

- Launch Bazodiac Health (medical astrology)
- Reach 500K MAU globally
- Achieve €4M ARR

Q4 2028

- UK/Nordics market launch
- Secure 50 enterprise customers
- Achieve €5M ARR

Q1 2029

- Launch Bazodiac Finance
- Southeast Asia expansion
- Achieve €7M ARR

Q2 2029

- Japan market entry
- Reach 750K MAU globally
- Achieve €9M ARR

Q3 2029

- Launch Bazodiac Education
- Secure 100 enterprise customers
- Achieve €10M ARR

Q4 2029

- Latin America exploration
- Reach 1M MAU globally
- Achieve €12M ARR

Q1 2030

- Full global product suite launch
- 150 enterprise customers
- Achieve €15M ARR

Q2 2030

- IPO preparation complete
- Investment bank selection
- Achieve €18M ARR

Q3 2030

- IPO roadshow
- Exchange listing (NASDAQ/Frankfurt)

- Achieve €25M ARR (IPO target)

Slide 15: Exit Strategy

IPO Pathway

Target IPO Metrics (by Q3 2030)

- **Revenue**: €25M ARR
- **Growth Rate**: >50% YoY
- **Gross Margin**: >85%
- **EBITDA Margin**: >25%
- **Enterprise Customers**: 150+
- **Global Presence**: 10+ markets

IPO Considerations

- **Primary Exchange**: NASDAQ (US) or Frankfurt (EU)
- **Target Valuation**: €200M-€300M (8-12x revenue)
- **Public Float**: 25% of shares
- **Use of Proceeds**: Global expansion, product development, acquisitions

Alternative Exit Options

- **Strategic Acquisition**: Fortune 500 wellness/tech companies
- **SPAC Merger**: Faster public market access
- **Secondary Market Sale**: Private equity or strategic investors

Slide 16: Risk Factors & Mitigation

Key Risks at Scale

****Market Risk****: Astrology market volatility

- ***Mitigation***: Diversified product suite (health, finance, education), scientific positioning, academic partnerships

****Regulatory Risk****: Multi-jurisdictional compliance

- ***Mitigation***: In-house legal team, local compliance officers, continuous audit

****Technology Risk****: Algorithm accuracy at global scale

- ***Mitigation***: Continuous validation, peer review, third-party audits, redundant systems

****Competition Risk****: Big tech entry with massive resources

- ***Mitigation***: Proprietary algorithms, data network effects, first-mover advantage, partnership ecosystem

****International Risk****: Cultural and political barriers

- ***Mitigation***: Local teams, local partnerships, gradual market entry, cultural adaptation

****Execution Risk****: Managing rapid global growth

- ***Mitigation***: Experienced executive team, phased expansion, strong operational infrastructure

Slide 17: Investment Ask

The Opportunity

- **Proven Scale**: 400K MAU, €3.6M ARR, 82% gross margin
- **Market Leadership**: #1 position in DACH, successful China entry
- **Defensible Moat**: 6-layer competitive advantage, proprietary algorithms
- **IPO Path**: Clear 30-month trajectory to public markets
- **Global Vision**: €25M ARR by 2030, 10% global market share

Series B Investment: €20M

- **Pre-Money Valuation**: €20M
 - **Post-Money Valuation**: €40M
 - **Equity**: 33.3% common stock
 - **IPO Target**: €200M-€300M valuation (5-7.5x return potential)
- Lead Investors Welcome** - Join us in building the global leader in personalized wellness technology.
